LISTON HALL - MARLOW

Drawing & Watercolour Painting

A step by step guide to unlocking the mysteries of good drawing. We shall explore drawing in several ways; through the medium of pencil, charcoal, coloured pencils, ink and watercolour drawing mediums.

Students will need a range of good drawing pencils, a set of blendable colouring pencils and a decent sized drawing pad to start (minimum A4, but A3 would be preferable). Other items may be needed as we go along. A decent eraser might come in handy as well!

You can buy the recommended art material at the class. Please ask the tutor.
