

COURSE DESCRIPTION / CONTENT

**JUNIORS SCHOOL -
(6 YEARS UPWARDS!)**

artsmart Studio, Beaconsfield
(Tutor: Roz Knight)

Through individual instruction learn to draw and paint from close and careful observation of nature, such as winter themes; ice, frost and snow, trees and plants – using pen and ink for creating the patterns of line, shading and tone.

In spring, we will focus on spring flowers, blossom and other emerging colours with watercolours, water soluble pencils, coloured inks and pastels.
