OIL PAINTING

All Levels

The tutorials will be two hours of painting. You will benefit from one to one tutoring from a professional artist; a different subject to study each week, two hours to relax and be creative. This course will greatly benefit beginners and the more advanced; covering colour theory, preparing your canvas, sketching your subject, proportion, the golden section, what tools and which mediums to use.

Course material will be available at the class for students to buy.
The tutor will advise you accordingly.

Course Materials:

Oil colours: titanium white, cad lemon yellow, cad yellow, cad orange, cad red, alizarin crimson red, ultramarine violet, French ultramarine blue, cerulean blue, viridian green, burnt umber.

Liquin original

Odourless thinners

Roll of grease proof paper or baking paper

Masking tape

Selection of oil painting brushes including soft and hard
