

COURSE TUTOR

BARBARA PEARMAN

Barbara Pearman - A foundation course at Hornsey College of Art was the starting point for my artistic education.

After years working in the commercial world I 'retired' to concentrate on my artwork, gaining a City and Guilds Certificate in Life Drawing and Painting, an HND in Fine Art Practice and finally a BA (Hons) in Fine Art Practice.

I tutored and ran Art at the Barn in Hazlemere, and this ran successfully for four years.

I now exhibit regularly and enjoy teaching at artsmart School as well as one day workshops in the local area.
