## **MATERIALS CREDITS**

- **These are issued at the start of each new term and are worth £10.00 each**
- **To qualify for a credit you must be re-enrolling at the standard course rate with payment in full before the term begins.**
- **We will maintain a materials account for you and issue a statement each term. Note that materials credit cannot be carried over from the Spring Term to the Autumn Term**
- **If the statement shows a minus value e.g. - £25.00, it means you have that amount to spend. If there is no minus sign then you owe for materials.**
- **You cannot use your credit to purchase items which we have already discounted**
- **Materials credit cannot be exchanged for cash or deducted from your course fee.**
- **When you have used all your material credit we will give you at least 10% discount on normal recommended retail prices (RRP)**
- **If you have any queries please call us on 01494 670372**
