## Terms & Conditions

1. Courses last 10 weeks - there are 3 terms per year starting in September, January and April.
2. Adult courses offer 20 hours of tuition, each session lasts 2 hours.
3. A full course costs between £125 and £155 depending on the use of models and the type of model.
4. You can join a class at any time (subject to availability) and will only be required to pay for the remaining sessions, subject to the minimum charge condition below. The cost per individual session is £16.00.
5. If you want to join a class but know in advance that you can only attend a limited number of sessions e.g. 5, then you must pay the number you are attending multiplied by £16.00 subject to the minimum charge condition (see point 6) and availability.

N.B. This concession only applies in instances where for example a holiday has already been booked. It does not apply if absence is simply due to a number of other unrelated commitments. Similarly if a course is fully booked or close to being fully booked then the concession may not be available.

6. The minimum charge for a full course is £80.00. The minimum charge will only be applied during the first 5 weeks of each course.
7. All students are eligible for a minimum 10% discount on art materials.
8. Please note that deposits are not refundable. In the event that you have already paid the full fee and then cannot attend the course at all we may give a discretionary refund subject to the place being taken by another student.
